

# FIRST BASE 3 - WINTER

**BUMP PROTECTION**

## STAY WARM, DRY AND FOCUSED

The First Base 3 Winter bump protection cap helps ensure workers stay warm and dry in cold and wet weather conditions, where concentration can be vital and the work still needs to get done. First Base 3 Winter helps achieve this by providing a practical bump protection solution for use in indoor and outdoor environments, whilst preventing bumps and laceration to the head.

First Base 3 Winter helps safeguard employee health and safety by maintaining worker alertness and letting them concentrate solely on the task in hand. 360 degree reflective strips provide the best possibility to be seen in all light conditions, helping alleviate potential accidents in today's Zero harm business cultures.

## PRODUCT HIGHLIGHTS

- Waterproof & breathable outer fabric maintains dryness without overheating
- 360° reflectivity ensures workers stay visible in all light and weather conditions
- Stylish and practical cap design ensures high levels of wearer adoption and acceptance
- CE certified to EN812:A1
- Flexible ABS protective shell guards against bumps and lacerations to the head

*\*ABS - (Acrylonitrile Butadiene Styrene)*

Utilises the First Base 3 Flexi Shell

# STAY WARM, DRY AND FOCUSED
